Certificate of Conformance

This is to certify that the material listed below conforms to the following specifications. The material meets or exceeds the listed performance requirements.

Product: ConSeal CS-665 Non-Toxic Butyl Sealant

Performance: Tested in compliance to the conditions specified in the Federal Hazardous Substance Act (16 CFR 1500). Test results conclusively show that CS-665 is classified as non-toxic by oral administration.

Specifications: This product meets the requirements of NSF/ANSI Standard 61.

Chemical Composition and Properties:

Volatile matter % by weight (ASTM D6):	3% max.
Specific Gravity (ASTM D71)	1.30 – 150.
Ductility (ASTM D113)	5.0 min.
Penetration @ 77° (ASTM D217)	50 – 120 dmm

Pursuant to the provisions of the Buy American Act (BAA) under Section 1605 of the American Recovery and Reinvestment Act (ARRA), all preformed sealant tapes, concrete admixtures and concrete coatings sold by Concrete Sealants, Inc. qualify as goods produced in the United States. All components of these products are manufactured in Tipp City, Ohio using various raw materials, also purchased in the United States.

Sincerely,

Van R. Foster
Research and Development Director,
Concrete Sealants, Inc.
