

Project Profile

Concrete Pipe Installation

US AID: Upper Egypt

Location:

Upper Egypt, Aswan, Egypt

Precaster:

Morrison Knudsen

The Situation:

In 2000, the US Agency for International Development had a project in Upper Egypt to install new sewage lines for 3 different cities within the region. The precast concrete pipes needed to be sealed with a quality product.

The Solution:

For this project, the US AID chose CS-102 to seal the manholes and concrete pipes for the new central sewage system.

Sealant Application

Manholes
Concrete Pipe

Applicable Industry Standards:

ASTM C-990

Products Used:

ConSealTM
CS-102
Butyl Rubber Sealant

Don't Just Seal It, ConSeal It!
