Certificate of Conformance

This is to certify that the material listed below conforms to the following specifications.

Product: ConSeal CS-213 Geotextile-Backed External Joint Wrap

Specifications: This product meets the ConSeal standards for specific gravity (DOC-10-Q) and cone penetration (DOC-10-V).

Chemical Composition and Physical Properties:

Specific Gravity @ 77°F (ASTM D71):	1.21 – 1.27
Cone Penetration @ 77°F (ASTM D217):	68 – 72 dmm

Sincerely,

Daniel M. Sawhook, P.E.
Technical Resource Engineer
Concrete Sealants, Inc.
